

RGL CAREER OPPORTUNITY

Production Personnel

RGL is seeking Machine Operators for our production facilities. The position is a front line operational role, reporting directly to shift supervisors. Operators will be trained in all aspects of the equipment and processes and will be expected to run production in a fast paced, indoor manufacturing environment.

Status: Immediate

Terms: Full Time Shifts may include Day or Night shifts with overtime.

Location: Edmonton, AB (Leduc Business Park)

Compensation: Hourly wage based on qualifications, plus benefits.

Responsibilities: Machine set up, operation and cleaning
Monitor equipment performance and troubleshoot any problems that occur
Monitor in-process quality control.
Handling of various sizes of oilfield casing.
Documentation and reporting
Understand and follow safety and quality programs.
Assist with maintaining parts and inventory consumables.
Assist other areas when required.

Education: High School or equivalent; Diploma or Certification

Experience: Experience in a manufacturing environment and with production machines, an asset.

Knowledge, Skills and Abilities Required:

- Safety conscious
- Detail oriented
- Highly motivated
- Experience in large manufacturing environments.
- Flexible to adapt to changing work environments.
- Good interpersonal skills
- Previous experience with slotted liner or wire wrap screen machines would be an asset
- Must comply with Company policy for a pre-employment drug and alcohol test and a criminal records check
